

# The Buy B Corp Christmas Gift Guide

T-Rex says don't buy planet-choking crap this Christmas. Buy less, buy better, buy B Corp.

Here's our guide to a Christmas with B Corp businesses from Aotearoa New Zealand.

# Buy B Corp Christmas

Ah yes, Christmas.

A tricky time of the year for those of us who are all too aware of how humanity's insatiable consumption is driving horrors like the climate crisis... but then Michael Buble comes a croonin' on the radio and we're swept up in the seasonal madness until we hear ourselves telling a shop assistant how we really *"...must have 12 different pairs of novelty Christmas ear-ring bling for each day of the advent calendar, it's what Jesus would have wanted..."*

Conflicted over Christmas? Don't buy unless you have to, and if you have to, buy B Corp. Merry Christmas!
