ABOUT TIM

An experienced public speaker and purpose business coach, Tim can be relied on to bring high energy and good humour to any event.

The founder of Grow Good, a global B Corp consultancy, Tim is available for speaking and MC roles, as well as guest presenting on podcasts and other media platforms, summits and seminars, online webinars, festivals, corporate events, etc.

As well, Tim is a one-man B Corp legend. The first person in Aotearoa New Zealand to train as a B Corp consultant, he's done the mahi and more on getting Kiwi and global businesses on their B Corp journey since launching Grow Good in 2015.

SPEAKER | MC | PANELLIST

“Tim presented at two of our Conferences, both our key events for the year, and did an outstanding job.

Tim spoke about purpose and shared his personal story with authenticity and humour. He connected with the audience and took them on his journey.

Audience feedback was outstanding.

I am about to engage Tim again to talk further around B-Corp. I have no hesitation in endorsing Tim.”

“Thanks so much Tim!

We had a team talk last night and all agreed that you have been the most fabulous MC we could’ve dreamed of!

You were INCREDIBLE!”

“Thanks again for the thought-provoking discussion and your incredible ability to positively engage your audience – they came in strangers and left as friends after reflecting and sharing on their personal purpose and the legacy they want to leave behind.

We would love to have you as a speaker again!”
